CARONNO PERTUSELLA EMBRACES DIGITAL INNOVATION: WORK BEGINS ON THE NEW FIBERCOP FIBRE OPTIC NETWORK

Caronno Pertusella (Varese), 26 March 2026 – FiberCop, the company managing Italy's most extensive and far-reaching digital infrastructure, has started works to strengthen the fibre optic internet network to homes (FTTH) in the area of Caronno Pertusella, in the province of Varese, in close coordination with the Municipal Authority.

The activities to deliver the new ultra-broadband network, promoted and entirely financed by FiberCop, will cover several areas of the municipality, with the aim of progressively making ultra-fast connections available through the completion of the fibre optic network.

The digital infrastructure put in place by FiberCop can reach speeds of up to 10 Gigabits per second and will accelerate the digitalisation of households, businesses and public administration, enabling innovative services such as 4K streaming, remote work and telemedicine. In addition, fibre will help the environment by reducing CO2 emissions.

The planned works

The works are currently in the initial phase and will continue throughout 2026, progressively extending to cover most of the municipal area.

As part of its independent plan, FiberCop has already completed the rollout of one street cabinet—the distribution point for fibre connections to end users—and obtained the necessary permits to plan and commence works on a further 13 cabinets, with completion expected by summer 2026. The company is also designing the extension of the network to an additional 17 cabinets by the end of the year.

Wherever possible, existing infrastructure will be used to deliver the network. Where new excavation is required, it will be carried out using innovative, low-impact techniques, with narrow trenching approximately 10–15 centimetres wide. FiberCop

FiberCop S.p.A.

Società con unico socio, Gruppo Optics Holdco – Direzione e Coordinamento Optics Holdco S.r.l.

Sede Legale: Via Marco Aurelio, 24 - 20127 Milano

Capitale Sociale 17.835.900,00 (i.v.)

Codice Fiscale/P. IVA e Iscrizione al Registro delle Imprese di Milano-Monza-Brianza-Lodi: 11459900962 - REA Milano

n. 2604085 - Casella PEC: fibercopsa@pec.fibercop.it

will work to minimise the impact on traffic and proceed swiftly with delivery of the new network.

Citizens can check service availability with their chosen telecoms operator and request activation to benefit immediately from the performance of the new network.
